NARRATIVE

On 10/22/2016 at 1800 hours Lake Stevens Police were dispatched to a three vehicle, injury collision at SR 9 SE and 32nd Street SE in the county of Snohomish. Arriving on scene WSP advised he needed to go to another collision and requested Lake Stevens Police take the report on this collision. It was now reported that an involved vehicle (U3) had left the scene without exchanging information. The driver of U1 said he observed the driver of U3 to be an adult female with blond hair. The front license plate of U3 was found at the collision scene.

Based on evidence and statements at the scene, it is found U1, U2 and U3 had been traveling southbound on SR 9 SE approaching the traffic light controlled intersection of 32nd Street SE. The driver of U1 seen th green light and assumed traffic ahead of him was moving; also looking in his rearview mirror because the car behind him was following too close (which was distracting him). U2 was stopped/slowng for traffic when U1 rear ended U2, U3 then rear ended U2 and fled the scene without stopping. The front license plate of U3 (AYG6771) fell off the vehicle at the collision scene. The driver of U2 complained of neck and back pain; refusing further medical assistance from fire/aid on the scene

The residence of U3 was checked by law enforcement and were told the female driver was currently at work in Snohomish (south of the collision scene where the vehicle was last seen going).

Around 2345 hours the driver of U3 was contacted. She was identified to be 18 year old Elexus Malestky. At the time she was contacted she was with her mother; the registered owner of the vehicle. It was found Malestky does not have a driver's license or vehicle insurance.

A case report was completed and sent to the Snohomish County Prosecutor's office for hit and run attended vehicle, no driver's license and no insurance.

NARRATIVE

OFFICER: W. Aukerman #72-Lake Stevens Police

Case number: 16-00021033

Incident: Hit and run attended MV (fail to stop at collision scene)

Location: 32nd/SR 9 SE in the county of Snohomish

On the date and time of this incident I had legal authority to arrest. I am a fully commissioned police officer, certified by the State of Washington to enforce the laws of Washington State and I am currently commissioned by the Police Chief of the Lake Stevens Police Department. I have been a city of Lake Stevens Police Department Police Officer for over 16.5 years. On the date and time of this incident I was wearing a full Lake Stevens Police Department issued POLICE duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle equipped with overhead emergency lights and audible siren.

This incident occurred in the city of Lake Stevens, which is located in Snohomish County in the State of Washington.

SUMMARY:

18 year old Elexus Malestky was involved in a three car vehicle collision and left the scene without stopping and/or providing any information. Malestky was operating U3, which rear ended U1 after U1 rear ended U3. Her vehicle was identified by the front license plate that had fallen off at the scene of the collision. Malestky was contacted and said she got scared and left the scene. Malestky was found to have a driver's license (or ID) and was operating a motor vehicle no insurance. Charging was sent to the county prosecuting attorney's office.

NARRATIVE:

On 10/22/2016 at 1800 hours Lake Stevens Police were dispatched to a three vehicle, injury collision at the intersection of SR 9 SE and 32nd Street SE, in the county of Snohomish.

Arriving on scene I made contact with a Washington State Trooper who had collected initial information from two involved driver's and said a third vehicle had left the scene without stopping and/or providing any information. It was said the front license plate of the fleeing vehicle (AYG6771) had fallen off the vehicle and onto the roadway at the time of the collision. The Trooper had to leave this collision scene for another collision scene.

One driver (U2), was in a neck brace that had been put on by fire/aid personnel and was refusing any further medical treatment. The driver of U2 complained of neck and back pain as a result of the collision.

Based on evidence and statements made at the scene of the collision, it is found that U1, U2 and U3 were

traveling southbound on SR 9 SE approaching the traffic light controlled intersection of 32nd Street SE. The driver of U1 claimed to be distracted by U3 following too closely behind him and did not see U1 slowing/stopping in front of him. U1 rear ended U2 and then U3 rear ended U1. U3 then fled the scene without stopping and/or providing any information. The front license plate for U3 fell off of the vehicle at the collision scene.

The driver of U1 said he observed the driver of U3 to be an adult female with blonde hair and appearing to be in her 20's. I showed the driver of U1 a DOL picture of the female registered owner of U3 (born in 1978). The driver of U1 said she looked like the driver, only having blonde hair and not the black hair shown in her DOL photo.

I asked the driver of U1 if he had again struck the back of U2 when he was rear ended by U3. The driver of U1 said he had not hit the back of U2 a second time when he was struck by U3.

The driver of U1 completed a written statement about the collision. The driver of U2 does not write in English and did not provide a written statement.

I requested Officer Lyons check the address in Lake Stevens for U3 (being registered to Andrea Malestky at 419 101st Ave SE H-40). Officer Lyons told me he had contacted with a male and the driver of the vehicle was currently at work in Snohomish and will return this evening around 2330 hours.

At about 2345 hours I went to the address and found U3 parked in the parking lot. I observed front end damage to the vehicle and that the front license plate was missing (consistent with being involved in a collision type as I was investigating).

I made contact at the residence and spoke with the female who identified herself as being the driver. 18 year old Elexus Malestky said she had been driving at the time of the collision and left scene because she got scared. Malestky said she does not have a driver's license (or ID) and the vehicle does not have insurance. Malestky's mother (the registered owner of the vehicle) was also at the residence. Malestky's mother commented that she knows her daughter does not have a driver's license and also reiterated there is no vehicle insurance.

I provided Malestky with my business card and case report number. I informed Malestky that a case report would be sent to the county prosecutor's office for charging and that any further court appearances would be sent via the mail to her.

Before leaving I returned the front license plate to Malestky and took digital images of the vehicle.

SNOHOMISH COUNTY SUPERFORM

Synopsis / PC for Arrest

(Include all elements of the crimes, date of violation, and location of crimes)

On 10/22/2016 at 1800 hours Lake Stevens Police were dispatched to a three vehicle, injury collision at SR 9 SE and 32nd Street SE in the county of Snohomish. Arriving on scene WSP advised he needed to go to another collision and requested Lake Stevens Police take the report on this collision.

It was now reported that an involved vehicle (U3) had left the scene without exchanging information. The driver of U1 said he observed the driver of U3 to be an adult female with blond hair. The front license plate of U3 was found at the collision scene.

Based on evidence and statements at the scene, it is found U1, U2 and U3 had been traveling southbound on SR 9 SE approaching the traffic light controlled intersection of 32nd Street SE. The driver of U1 seen th green light and assumed traffic ahead of him was moving; also looking in his rearview mirror because the car behind him was following too close (which was distracting him). U2 was stopped/slowng for traffic when U1 rear ended U2, U3 then rear ended U2 and fled the scene without stopping. The front license plate of U3 (AYG6771) fell off the vehicle at the collision scene.

The driver of U2 complained of neck and back pain; refusing further medical assistance from fire/aid on the scene

The residence of U3 was checked by law enforcement and were told the female driver was currently at work in Snohomish (south of the collision scene where the vehicle was last seen going).

Around 2345 hours the driver of U3 was contacted. She was identified to be 18 year old Elexus Malestky. At the time she was contacted she was with her mother; the registered owner of the vehicle. It was found Malestky does not have a driver's license or vehicle insurance.

A case report was completed and sent to the Snohomish County Prosecutor's office for hit and run attended vehicle, no driver's license and no insurance.

I certify or declare under the penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct. (RCW 9A.72.085)

STATEMENT:

I was sitting in traffic on Hwy 9 just before 32nd St SE. Light was green and I thought traffic was moving, I got distracted and hit the person in front of me. Then the person behind me hit me. I got out of my vehicle to see if the person I hit was OK and the person who hit me passed us and left the scene.

When I got out of my vehicle I saw that the person who hit me was a blonde female driving a white saturn. She was probably in her early twenties. The picture the officer showed me resembled the driver of the white saturn.
